*Sibling relationships outlast marriages,
survive the death of parents,
resurface after quarrels that would sink any
friendship. They flourish in a thousand incarnations
of closeness and distance, warmth, loyalty.*

Who Is Camp To Belong?

CAMP TO BELONG, (CTB) Georgia is a non-profit 501(c)(3) organization reuniting brothers and sisters placed in separate foster, adoptive or kinship homes through Summer Camp Programs and year round events.

Our primary goal is to provide a sense of belonging to youth as individuals, and siblings, giving them opportunities to share childhood memories together and among other youth in the same situations.

Our flagship events are our Summer Camp Programs during which we reunite brothers and sisters in a safe, neutral, week-long camp environment to create childhood memories together that they would not have otherwise due to living in separate homes.

Signature Programs

Each Summer Camp Program provides intentional programming designed to strengthen sibling connection through our Signature Programs, including the Art Therapy, Sibling Enhancement, Life Seminar and Mentoring Programs, and the Birthday Party Event.

Camp To Belong Georgia is an affiliate of the national organization, Camp To Belong. Camp To Belong has been actively reuniting brothers and sisters through camp programs and reunions since 1995.

Camp To Belong has received national and international recognition thanks to Lynn Price, whose childhood experience in foster care inspired her as an adult to found the organization. Her personal story, passion and commitment to reuniting siblings separated by foster care has inspired other states to create affiliate camp sites, enabling Camp To Belong to touch the lives of over 2,500 campers.

Our Mission

- ♥ Reunite siblings placed in separate foster homes and other out of home care for fun events, emotional empowerment and much needed sibling connection.
- ♥ Educate the nation about the plight of foster siblings and the importance of keeping them together in foster care, and/or adoption whenever possible.
- ♥ Develop a community awareness program for the purpose of recruiting foster homes suitable for sibling placements.
- ♥ Raise awareness within the social services system to encourage best practices via communication and/or legislative efforts in order to keep the sibling placement issue at the forefront.
- ♥ Enhance sibling relationships by providing a forum to discuss thoughts and feelings with other children in foster care.
- ♥ Inspire youth to rise above and prepare for a successful adult life.

This is a week-long camp experience where kids can throw their cares away, forget that they are in foster care, forget that they are separated from their brothers and sisters and just be full of joy and laughter.

– Karyn, Camp Counselor

"If it wasn't for you, I would never been able to show that much love for my brother and sister."

- Jasmine, Camper
